

HORTICULTURE JUDGE EMERITUS CATEGORY

Accredited Judges who have been certified at least ten years and feel they can no longer fulfill all the requirements for being an Accredited Judge, may apply to the Committee on Judging for Judge Emeritus status.

The Chairman of the Committee on Judging, upon receiving recommendations from the applicable National Chairman, District Director and District Chairman of Judges, will approve or disapprove the application.

The Emeritus Judge of the ARS will no longer be required to meet the requirements set forth in the *Guidelines for Judging Roses* to maintain judging status. The Emeritus Judge of the ARS will be afforded all the other privileges of the ARS Judges except that they may no longer judge in accredited shows. The Emeritus Judge name will be removed from the ARS Judging list.

Presentation of the certificate should be made by the District Director at an appropriate district function, if possible.
