

AMERICAN ROSE SOCIETY
CONSULTING ROSARIAN EMERITUS REQUIREMENTS

The designation of Consulting Rosarian Emeritus was approved by the ARS Board of Directors in June 1994. The honor is reserved for those who have served as Consulting Rosarian for at least 10 years and no longer wish to be active Consulting Rosarians.

A Consulting Rosarian who qualifies may request Emeritus status through the District Chairman of Consulting Rosarians. Upon approval of the request by the Chairman and the District Director the designation will be made.

The Consulting Rosarian Emeritus of the ARS will receive an appropriate certificate and/or pin designation, the nominal cost to be borne by the District in which he or she resides. Presentation should be made by the District Director at an appropriate district function, if possible.

The Consulting Rosarian Emeritus will no longer be required to meet the requirements set forth for Consulting Rosarians. A Consulting Rosarian Emeritus' name will be removed from the active ARS Consulting Rosarian list.
