The garden is planted with red ‘Veterans’ Honor’ and white ‘Ice Cap’ roses, pink roses, and other flowers (and trees including pine and dogwood) that express love, life, hope, resistance, courage, valor and remembrance, including agapanthus, daisies, and the red poppy of Flanders’ Field.

The Long’s very generous gift has allowed us to enhance the space with new walks and provides a platform for staging Memorial Day and Veterans’ Day ceremonies, memorials, and other patriotic events. It will also provide an area where engraved brick memorials for veterans can be. See order form below.

America’s Rose Garden’s ‘Never Forget Garden’ is indeed a special place. Like the garden marker, it is inspired by America’s unshakable sacred duty and commitment to never forget or forsake those who served and sacrificed on behalf of our country in times of war or armed conflict. It is now a garden where every visitor will remember their own loved ones. The Dave & Sandy Long ‘Never Forget Garden’ will be dedicated on June 5, 2021.

The garden is at the site of three flag poles on which which fly the American Flag, the official Centennial Flag, a flag that says “Honor and Remember,” and the site of the ‘Never Forget’ garden tablet. These items were donated by the Illinois-Indiana District of ARS.

Teak garden benches were donated by Veterans Dave and Cindy Dale, and Al and Sara Coleman.

The ‘Never Forget’ garden marker (right) can be purchased from the Society of the Honor Guard, Tomb of the Unknown Soldier at this site: www.tombguard.org/store
11” x 17” - $99 plus shipping.

The large rose image in the background of this page is ‘Niphetos’, a hybrid tea introduced in 1841 by Bougere.

‘Niphetos’ is believed to be the rose in the bouquet that designated the US Unknown Soldier in 1921.
