We are currently concentrating our efforts to fully fund the THIRD CIRCLE. Donations of every size are welcome and will be most appreciated. Pledges and gifts of stock and real estate property are welcome as well. We will probably accept your car when you wish to depart with it.

Also, we will be happy to entertain any proposal for naming rights to gardens, parts of gardens, planting beds, groves of trees, walks, garden décor and works of art, so you can be creative with your gifting. All donations are recognized in *American Rose*.

For example, the Peace Family of Roses Garden could have a donor's name in the front of the garden's title. The same is true for the Members' Choice Garden, the Miniature-Miniflora Garden, the Wedding Ring Garden near the Hardtner Chapel, and others.

We will be happy to talk with you about options for giving to the Great Garden Restoration Project. Please send an email to discuss your ideas for the Restoration Project to
